

City of Redmond Planning Commission January 12, 2005 Meeting Summary

Planning Commissioners in Attendance:

Kim Allen, Kate Dunn, Korby Parnell, Susan Petitpas, Suzanne Querry and Martin Snodgrass

Planning Commissioners not in Attendance:

Charlie McCarthy

Staff in Attendance:

Terry Marpert, Cathy Beam, Judd Black, Redmond Planning Department

Business Conducted:

Chair Martin Snodgrass called the meeting to order at 7:04 p.m.

The agenda was approved.

Under Items from the Audience, Leon Hussey spoke to the Planning Commission low impact development practices. The commissioners discussed putting a policy together on these practices.

Chair Snodgrass opened the study session on the update of the Natural Environment Element and the Critical Areas Ordinance.

The commission reviewed Class IV streams, fish and wildlife conservation area protection, and the Issues Table. The commissioners discussed species of local concern, state and federal protection of species of concern, priority species, not establishing protection requirements for raptors, protecting the blue heron, developing a Development Amendment Process for adding protection of other species, and wildlife habitat corridors. They discussed the various designation maps.

There were no reports.

The commissioners discussed their review of the Transportation Master Plan (TMP) and the right approach to take.

The Planning Commission adjourned at 10:13 p.m.
